PLAYING OUT OF AGE GROUP

It is the policy of the Laguna Niguel Girls Softball League that all players shall play in their age group according to their age on January 1.

All requests to play up in an older division must be IN WRITING and received by the League Board of Directors no later than **January 1**.

Upon approval by the Board of Directors, a girl may play up in an older division based on the following criteria:

- Players may only request to move up in age by 1 year.
- All girls requesting to play up in an older division must be evaluated (Evaluation Day) in BOTH her age-appropriate division AND the division she is requesting to play in.
- If a division is already full with age-appropriate players, all girls requesting to play up in that division will be placed on a waiting list.
- The player requesting to play up in an older division must be selected by a coach in that older division BY THE END OF THE 5th ROUND. If she is not selected by that round, she will play in her age-appropriate division.

All decisions are final.
